Charlottesville Clean Energy Commercial Loans are made possible through a grant provided by the City of Charlottesville, in order to help promote, enable, and invest in the use of renewable energy technologies and energy efficiency improvements for businesses located in Charlottesville. Join us to help conserve energy in buildings, to promote cost savings, job creation, sustainability, local economic development, and environmental stewardship.
WE’VE PARTNERED WITH THE LOCAL ENERGY ALLIANCE PROGRAM (LEAP) AND THE CITY OF CHARLOTTESVILLE TO HELP YOU REDUCE YOUR ENERGY COSTS, UPGRADE YOUR FACILITY, AND IMPROVE THE ENVIRONMENTAL QUALITY OF OUR COMMUNITY.

For the City of Charlottesville Businesses only.

Let’s Get Started.

STEP ONE
Connect with an expert energy advisor at LEAP by calling 434-227-4666 or emailing info@leap-vr.org. They will confirm your eligibility to participate in the loan program through a simple application process. Your advisor will also walk you through and explain your potential for government and utility rebates, tax credits, and energy cost savings resulting from the energy efficiency improvements or renewal energy upgrades you make.

STEP TWO
Apply for your Charlottesville Clean Energy Commercial Loan with UVA Community Credit Union by calling the credit union’s Business Lending department at 434-964-2001.

Charlottesville Clean Energy Commercial Loans can be used for a variety of projects, including:
• Lighting Upgrades
• Energy Audit ASHRAE Level 1, 2 or 3
• Energy Management Controls
• Heating, Ventilation and Air Conditioning (HVAC)
• Refrigeration and Food Service
• Duct Sealing
• Insulation
• Water Heaters
• Renewables

VISIT UVACREDITUNION.ORG FOR A FULL LIST OF ELIGIBLE PROJECTS.

Best of all, Charlottesville Clean Energy Commercial Loans are available for a variety of extended terms, with or without collateral, depending on your scope of work selected.

RATES AS LOW AS 0% FOR QUALIFIED BORROWERS.*

*Your actual Annual Percentage Rate (APR) will be determined when you apply and will be based on your credit and application information including but not limited to the term of loan, loan amount, collateral, if any offered, and the economic life of the clean energy upgrade. All borrowers must meet UVA Community Credit Union membership criteria. All loans must be approved by the Local Energy Alliance Program (LEAP) to obtain a rate reduction.

SAVE MONEY. STRENGTHEN YOUR BUSINESS. IMPROVE OUR COMMUNITY.
