Historic Resources Task Force
Minutes
January 10, 2001

Present:

Mary Hill Caperton
Rick Britton
Ben Ford
Ingrid Smyer-Kelly
Winston Churchill Gooding

The meeting began at 3:30 p.m. The minutes were approved noting two typos "Caperton agreed to draft a letter".

The status of the Court Square project was discussed and Mrs. Caperton is meeting with a garden club president suggesting that the three clubs who are members of the Garden Club of Virginia might consider adopting a project to help with the plant material redo in the Court Square area. If there is any interest it will be suggested they contact Mr. Satyendra S. Huja to see the plans.

The tour book project has spent the available money on the design and is on hold until more money comes available. Mark Beliles had not yet connected Lexis Publishing but expect too soon.

LOCAL MARKERS - It was agreed al want to move forward with the local markers. Mrs. Caperton wrote letter to Alvin Edwards and Bruce Beard with copies of the text asking for their approval or additions.

STATE MARKERS - It was suggested that the Tarleton's Road Marker at Tarleton Oak be amended and should include the fact that Charlottesville was the seat of government at that time.

We agreed that our numbers have dwindled and we need suggestions for more active members of the task force to be appointed by City Council.

Drake Patten and Florence Bryant are no longer members. Paul Gaston has not attended in several years. Fred Heblich and Dan Buestone have schedules that keep them away.

Members will ask Teresa Price and Floyd Smith if they would be interested and available. Mrs. Caperton has asked Helena Devereaux who is very interested in being appointed.

With no further business, the meeting adjourned at 4:30pm. The next meeting will be February 14, 2001.
