

THE CITY OF CHARLOTTESVILLE, VIRGINIA

IS SEEKING A DYNAMIC, INNOVATIVE
AND PROGRESSIVE LEADER IN PLANNING AND
DEVELOPMENT TO SERVE AS

**DIRECTOR OF
NEIGHBORHOOD DEVELOPMENT SERVICES**

The Community

The City of Charlottesville is located in West Central Virginia, approximately 100 miles southwest of Washington, D.C. and 70 miles northwest of Richmond, Virginia. Situated within the upper Piedmont Plateau at the foothills of the Blue Ridge Mountains and at the headwaters of the Rivanna River, Charlottesville was established as a town in 1762 by the Virginia General Assembly and was incorporated as an independent city in 1888. As a result of eight annexations, the most recent of which was in 1968, the City is 10.4 square miles.

Charlottesville serves as the economic, cultural, and educational center of a multi-county region. In 1981, the United States Census Bureau recognized the Charlottesville area as a Standard Metropolitan Statistical Area (SMSA). The SMSA includes the City of Charlottesville and the counties of Albemarle, Fluvanna, Greene, and Nelson. In 2017, the population of the City was estimated to be approximately 49,000 and the Charlottesville SMSA population of over 200,000.

Charlottesville was the home of two U.S. Presidents, Thomas Jefferson and James Monroe. During their terms as Governor of Virginia, they lived in Charlottesville and traveled to and from Richmond. The University of Virginia, founded by Jefferson and one of the original Public Ivies, straddles the city's southwestern border. Monticello is three miles southeast of the city and is, along with the University of Virginia, a UNESCO World Heritage Site, attracting thousands of tourists every year.

The City has ample health care resources. The University of Virginia's Health Sciences Center provides world renowned medical research, health care, and training. Martha Jefferson Hospital has a well-regarded comprehensive women's health center, oncology center, and a strong community focus.

Whether you are looking for an outdoor adventure such as hiking, biking, paddling, and camping, or you prefer fine dining, shopping or the arts, the unique and picturesque experience of Charlottesville is sure to win you over. Its scenic beauty, brick-lined Downtown Mall, and wine choices from 30+ local orchards and vineyards in the region are bonuses to a charming yet innovative community. Popular annual events include the Dogwood Festival, First Night Virginia, the Virginia Film Festival, the Virginia Festival of the Book, the Tom Tom Founders Festival, the Festival of Cultures, the African-American Cultural Arts Festival, among many others that occur throughout the year. The City has received many notable awards and recognitions and is consistently at the top of everyone's "best lists" including the "Best Place to Live in America" and "Best Small Cities in the U.S."

City Government

The City operates under the City Manager/Council form of government. The City of Charlottesville voters elect a five-member Council to serve at-large as the City's legislative and governing body. Members serve staggered four-year terms, and they select one Councilor to serve as Mayor and one as Vice-Mayor for two years. Municipal elections are held in November in odd-numbered years. The Mayor presides over meetings, calls special meetings, and serves as the ceremonial head of government. The City Council appoints the City Manager, Director of Finance, City Assessor, Clerk of Council and members of major policy-making Boards and Commissions. Council makes policy in the areas of city planning and finances, human services, public safety and justice, public utilities, and transportation and has specific powers to pass ordinances, levy taxes, collect revenues, adopt a budget, make appropriations, issue bonds, borrow money, and provide for the payment of public debts. Administrative and executive duties are performed by the City Manager. Two Deputy City Managers assist the City Manager in the operational and financial aspects of all City functions, coordinate interdepartmental activities and assist with assignments relating to the planning, direction, control, evaluation of the operations and programs of the City Government, relations with City Council, and the coordination of the City's operating and capital improvement budgets.

Charlottesville is an engaged community with a variety of citizen advisory groups, commissions, task forces, and ad hoc committees, which assist the City Council by studying specialized areas of interest and making recommendations

for Council action. These range from the Planning Commission and the BAR to the Parks and Recreation Commission. As noted, civic engagement is a strong value in the City of Charlottesville. The City government continually creates venues for all citizens, with a special emphasis on those who are traditionally under-represented in civic processes, to become involved. This commitment to inclusive civic engagement ensures that social equity is built into the development of public priorities and policies.

The City is a full-service city with approximately 994 full-time staff, and FY 2019-20 General Fund operating budget of \$188.8 million, and an FY 2019-20 Capital Improvement Plan budget of \$35.4 million. The FY 2019-20 budget reflects the continued delivery of high-quality governmental service that citizens, businesses, and visitors rely upon daily within the constraints of the current economy. As an independent

City, Charlottesville does not have the same boundaries as nor is subject to taxation by any county and is not liable for any county debt. The City is financially stable and has a AAA bond rating.

The City's Neighborhood Development Services Department

The Charlottesville Neighborhood Development Services mission is to create a quality-built environment for the Charlottesville community. The Department currently operates with 25 full-time employees, with a total FY20 operating budget of \$2,742,064. The core programs and services include:

The City offers an outstanding program of employee benefits, including the option of participation in a Defined Benefits or Defined Contribution Retirement Plan. The opportunity to live and work in one of the most dynamic, challenging and culturally rich communities in the United States is an added benefit for the successful person. Reasonable relocation assistance will be available.

- **Medical Benefit** - Medical insurance is available through Aetna. Employees can choose from 3 options. Employee premium costs are based on plan selection. Spouse and dependent coverage is available but the cost of the premium is not subsidized. Coverage is effective on the first of the month following date of hire. Plan options and costs are determined each fiscal year and are subject to change.
- **Dental Insurance** is provided through Delta Dental at no cost for employee only coverage. Spouse and dependent coverage is available but not subsidized.
- **Life Insurance**: The City provides basic term life insurance in an amount equal to two times your annual salary. The City pays the premium. You may also purchase additional life insurance.
- **Cancer/Accident/Disability Insurance** is available for purchase.
- **Vacation and sick leave** are accrued on a monthly basis. Vacation accrual is based on length of service. City executives have a beginning accrual rate of 3 weeks per year of service. Accrual is on a per pay period basis.

All employees accrue 4.62 hours of sick leave per pay period. In addition you will have immediate access to 20 hours of discretionary leave that you can use for any purpose. Employees who leave employment with the City in good standing are eligible to receive compensation for any unused vacation time up to the maximum accrual limit. There is no cash compensation for unused sick leave. However, employees participating in the City's defined benefit retirement plan can convert a percentage of their unused sick leave for additional service credit.
