In addition, all contractors and subcontractors shall be held responsible for the safety of their employees and any unsafe acts or conditions that may cause injury or damage to any persons or property within and around the work site area under this contract.

KK. OWNERSHIP OF DOCUMENTS: All information, documents, and electronic media furnished by the City to the Contractor belong to the City, are furnished solely for use in connection with the Contractor’s performance of Services required by this Agreement, and shall not be used by the Contractor on any other project or in connection with any other person or entity, unless disclosure or use thereof in connection with any matter other than Services rendered to the City hereunder is specifically authorized in writing by the City in advance. All documents or electronic media prepared by or on behalf of the Contractor for the City are the sole property of the City, free of any retention rights of the Contractor. The Contractor hereby grants to the City an unconditional right of use, for any purpose whatsoever, documents or electronic media prepared by or on behalf of the Contractor pursuant to this Agreement, free of any copyright claims, trade secrets, or any other proprietary rights with respect to such documents.

LL. PAYMENT:

a. To Prime Contractor:

1. The City shall promptly pay for completed delivered goods or services by the required payment date. The required payment date shall be either: (i) the date on which payment is due under the terms of a contract for the provision of goods or services, or (ii) if a date is not established by contract, not more than 45 days after goods or services are received or not more than 45 days after an invoice is rendered, whichever is later. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial executions or deliveries to the extent that the contract provides for separate payment for partial execution or delivery. Within 20 days after the receipt of an invoice for goods or services, the City shall notify the supplier of any defect or impropriety that would prevent payment by the required payment date. In the event that the City fails to make payment by the require payment date, the City shall pay any finance charges assessed by the supplier that shall not exceed one percent per month. In cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made.
2. Individual contractors shall provide their social security numbers, and proprietorships, partnerships,
and corporations shall provide the City with a federal employer identification number, prior to
receiving any payment from the City.
3. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to
the payment address shown on the purchase order/contract. All invoices shall show the city
contract number and/or purchase order number.
4. All goods or services provided under this contract or purchase order, that are to be paid for with
public funds, shall be billed by the contractor at the contract price, regardless of which city
department is being billed.
5. **Unreasonable Charges.** Under certain emergency procurements and for most time and material
purchases, final job costs cannot be accurately determined at the time orders are placed. In such
cases, contractors should be put on notice that final payment in full is contingent on a determination
of reasonableness with respect to all invoiced charges. Charges, which appear to be unreasonable,
will be researched and challenged, and that portion of the invoice held in abeyance until a
settlement can be reached. Upon determining that invoiced charges are not reasonable, the City
shall promptly notify the contractor, in writing, as to those charges that it considers unreasonable
and the basis for the determination. A contractor may not institute legal action unless a settlement
cannot be reached within thirty (30) days of notification. The provisions of this section do not
relieve any city department of its prompt payment obligations with respect to those charges which
are not in dispute (Code of Virginia§ 2.2-4363-4364).

b. **To Subcontractors:**
   a. A contractor awarded a contract under this solicitation is hereby obligated:
      1. To pay the subcontractor(s) within seven (7) days of the contractor’s receipt of payment from
         the City for the proportionate share of the payment received for work performed by the
         subcontractor(s) under the contract; or
      2. To notify the City and the subcontractor(s), in writing, of the contractor’s intention to
         withhold payment and the reason.
   b. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month
      (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor
      that remain unpaid seven (7) days following receipt of payment from the City, except for amounts
      withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be
      payment to the addressee. These provisions apply to each sub-tier contractor performing under the
      primary contract. A contractor’s obligation to pay an interest charge to a subcontractor may not be
      construed to be an obligation of the City.

MM. **PERMITS AND FEES.** All bids submitted shall have included in price the cost of any business or professional
licenses, permits or fees required by the City of Charlottesville and the Commonwealth of Virginia. The bidder
must have all necessary licenses to perform the services in Virginia and, if practicing as a corporation, be

on request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening
of all bids but prior to award, except in the event the City decides not to accept any of the bids and to reopen the
contract. Otherwise, bid records shall be open to public inspection only after award of the contract. Trade
secrets or proprietary information submitted by a bidder in connection with this procurement transaction shall not be subject to the Virginia Freedom of Information Act, but only if the bidder (i) invokes the protections of the Code of Virginia §2.2-4342 prior to or upon submission of the data or other materials; (ii) identifies the specific data or other materials to be protected, and (iii) states the reasons why protection is necessary. A general designation of a contractor’s entire bid submission as being “confidential” shall not be sufficient to invoke the protections referenced above.

Contractor hereby acknowledges that, pursuant to the Code of Virginia §22.1-296., any person making a materially false statement regarding any such offense shall be guilty of a Class I misdemeanor and, upon conviction, the fact of such conviction shall be grounds for the revocation of the contract to provide such services and, when relevant, the revocation of any license required to provide such services.

Contractor hereby agrees that this Certification shall be binding throughout the contract term, and that it will provide immediate notice to the City of Charlottesville and the Charlottesville City School Board of any event that renders this certification untrue.

SMALL-, WOMEN-, MINORITY-, MICRO, EMPLOYMENT SERVICES ORGANIZATIONS, AND VETERAN-OWNED BUSINESS OBJECTIVES

It is an important business objective of the City of Charlottesville to promote the economic enhancement of small businesses (SBE) and micro businesses (O), women-owned businesses (WBE), minority-owned businesses (MBE), employment services organization (ESO) and veteran-owned businesses (VBE). The success of the City to track the amount of business received by SBE, WBE, MBE and VBE businesses, whether as a prime contractor or a subcontractor, is dependent upon the business community partnering with us in this important endeavor.

If you anticipate sub-contracting to any of these businesses in the performance of this contract, you are requested to individually report the total dollars for each business classification. Failure to report the dollars in the categories below may result in the application of stronger requirements being placed on bidders to assure that SBE, O, WBE, MBE, ESO and VBE businesses receive benefits from City contracts.

Complete the following information and return this form with your bid.
